

March 29, 2023

Dear Homeowner(s),

As the Managing Agent for Travis Ranch Homeowners Association, Inc., we are excited to inform you the dog park installation has been approved, and that construction has begun on the project. The initial phase of this project will consist of preparing the field by grading the site in preparation for concrete work. As we progress more information will be communicated so that you may have a better idea of completion.

In addition to the dog park, we have also received approval for the sports court upgrade of the roller rink. Materials are on order, and demolition of the existing fence will commence soon. Again, as we progress, more information will be communicated for the completion date. If you have any questions or concerns, you may visit the HOA website at www.travisranchhoa.com and click on the "Contact Us" tab and submit a web submission. We appreciate your time and consideration. Have a wonderful day.
