Solid Waste & Bulk Collection Guidelines

Solid Waste Collection: Solid waste collection is once per week. Residents use the 95-gallon waste carts. Carts must be placed curbside before 7 a.m. on Wednesdays. All waste must be placed inside the cart and bagged. Waste placed outside the cart (bags, boxes, etc.) will not be collected.

Bulk Waste Guidelines: Bulk waste items include stoves, water tanks, washing machines, furniture and other individual items that are too large to fit in your waste cart. We do not accept construction or demolition debris, dead animals, hazardous waste, commercial/landlord cleanouts, stable matter, bagged trash or items not accepted by the landfill. Items with weights or volumes greater than what can be safely loaded into the collection vehicle by hand will also not be accepted.
