## Bulk Collection Day Change

Beginning March 1, 2021, bulk service in the Travis Ranch, Clements Ranch and Trinity Crossings subdivisions will be divided into four collection zones. See map and calendar on the reverse side of this mailer for details.

Bulk is limited to 8 cubic yards per month.

Please review the guidelines included in this mailer.

## Solid Waste & Bulk Collection Guidelines

**Solid Waste Collection:** Solid waste collection is once per week. Residents use the 95-gallon waste carts. Carts must be placed curbside before 7 a.m. on Wednesdays. All waste must be placed inside the cart and bagged. Waste placed outside the cart (bags, boxes, etc.) will not be collected.

**Bulk Waste Guidelines:** Bulk waste items include stoves, water tanks, washing machines, furniture and other individual items that are too large to fit in your waste cart. We do not accept construction or demolition debris, dead animals, hazardous waste, commercial/landlord cleanouts, stable matter, bagged trash or items not accepted by the landfill. Items with weights or volumes greater than what can be safely loaded into the collection vehicle by hand will also not be accepted.
